

*Stretching Your  
Imagination...*

Autumn/Winter Stretch Tents & Marquees

# Winter Cabin Stretch Tents

Our stretch tents are versatile enough for any season! With the addition of timber-clad walls, they become perfect for winter projects and events. Imagine a cozy temporary cabin, perfect for après-ski style gatherings, meeting Father Christmas and other festive celebrations!

# Stretch Tents With Walls & Windows

Discover our unique style of stretch tent with windows and walls, designed to create a warm and sheltered space for your next Christmas event. Perfect for the cooler months, this option offers a cozy atmosphere, making your event stand out.

# Stretch Tents & Marquees For Christmas Markets

Step into the enchanting world of our white stretch marquees, tailor-made for the magic of a Christmas market. Boasting a pristine white backdrop and expansive windows framing the shimmering lights, this tent is the ultimate choice for winter markets!

*...the practical stuff...*

We understand that Winter events can be a cause for concern due to the weather. Rest assured, our high-quality temporary structures are equipped with a range of optional extras, where required, including heaters, hard flooring, generators and storm straps to ensure complete coverage for all areas.
